The defendant was arrested on July 13, 2019 by United States Border Patrol Agents in Del Rio, Texas, and claimed to be a family unit of father/daughter and nationals of Angola. The defendant continued to claim their relationship from the time of the encounter and transportation to Del Rio Station for processing. During his interview several discrepancies were discovered which initiated an investigation. MBUNGA freely admitted that the 9 year old girl he was traveling with was not his daughter and that her family is still in Acuna, Coahuila, Mexico waiting to cross into the United States.
